This membership is for parents who wish to use the courts to play tennis with their child. It is agreed that this can only take place when the coach has given permission and the coach is present. It **does not** mean that parents can use the courts at any other time. This membership allows parents and their child to use the courts if other full members do not want to use the courts. In this case, full members both adult and junior take priority

This also entitles parents to have membership rates when attending coaching.
